ROBT. SYER SUPPORTED BY PALO ALTO TIMES

There are few mistakes more common or serious than the belief that "all a good judge needs is a good common sense." This was perhaps true many centuries ago before legal procedure became as complex as it is at present but in 1920 "good common sense," necessary as it is for a judge, must be supplemented by a good deal more. With such a mass of laws, codes, precedents and legal ins and outs involved in the trying of every case the best legal education obtainable must be supplemented by many years of actual practice in the court over which the judge will preside. Robert R. Syer, candidate for superior judge, has had this preparation. For 26 years he has successfully practiced law in San Jose. He has a balanced, judicial mind. He would make a splendid judge.

GOSBEY AND SYER

The Palo Alto Times editorially support the candidacies of Judge Gosbey and Attorney Syer as follows:

In advocating that the voters of Santa Clara County elect Judge P. F. Gosbey and Robert R. Syer as Superior Judges at the election on November 2, the Times does so under the conviction that of the three candidates in the field (of whom two are to be elected) these represnt the wisest choice, when judicial temperamnt and the requisite legal education and experience are surveyed.

The office of Superior Judge is one of the most important to be filled at the coming election, and every man and woman having a vote to cast should give careful thought to this contest.

Judge Gosbey, who is completing his twelfth term as Superior Judge of the county, has given general satisfaction during his incumbency. Born in Santa Clara he attended the public schools and the College of the Pacific, or University as it was then known. After teaching school for a time he studied law in the University of Michigan. Upon completing his law course he began the practice of his profession in San Jose, and continued until January, 1907 when he entered upon his duties of the office he has held ever since.

Robert R. Syer, another of the candidates, was born in Baltimore in 1870 and came to Calif. with his parents when four years of age, since which time he has lived in Santa Clara county. After graduating from the public grammar and high schools he took a full academic course at college. He studied law in the offices of Archer & Bowden of San Jose, and then entered Hastings College of Law, from which he was graduated with the degree of Bachelor of Laws. He began the practice of law in 1894, and since 1902 has been associated with Judge Hiram D. Tuttle. His practice developed rapidly and has given him a wide range of exeperience, both in trial work in the Superior court, in appellate work, and in general office practice. He has handled most satisfactorily the business of his clients, who are enthusiastically supporting him in the present campaign.

The integrity of both of these men is beyond question. In every respect they are entitled to the support of the voters of Santa Clara county. The Times unhesitatingly urges the election of P. F. Gosbey and Robert R. Syre to the Superior bench.

GRAMMAR SCHOOL CLUB IS HOST

A large gathering of people representative of Campbell school district, with teachers, school trustees and their wives, from the surrounding districts, met at Campbell grammar school on Tuesday afternoon.

The Home and School club had planned the affair as a reception to the teachers of the town schools and the parents of San Tomas, the district lately consolidating with Campbell grammar school. There was a fine program which opened with words of genuine welcome by the president, Mrs. Calvin Bohnett, followed by two vocal solos by Mrs. Ralph Hyde, whose sweet voice is always a treat. Mrs. Harry Smith augmented the president's words of welcome and in her usual good form extended most cordial greetings to the new-comers. Mrs Geo. Schuyler, of San Tomas district, responded, emphasizing the fact that consolidation has proven most satisfactory to them and that everyone is looking forward to the time when Cmpbell will be a school center of inestimable value to the county.

Miss Katherine Wood, a young high school student, played fluently from memory two beautiful solos entitled, "Capricciosso" by Mendelssohn, and "Dreams of Love" by Liszt.

Mr. D. H. Cramer and Miss Agnes Howe in forceful and convincing manner spoke upon the proposed Amendments 4 and 16, and Mr. Harry C. Smith entertained the assembly with two beautiful songs, "Out Where the West Begins" and "Smilin' Through." Mrs. Geo. S. Robson acted as accoompanist for the singers in her usual creditable manner.

After the program, Mrs. C. W. Toles assisted by club members, served tea and cakes and, in the hour that followed, friends, old and new, mingled together with real community spirit. It was a fine occasion planned with good motives and the Home and School club will need your assistance to give them often.

RULER AT LAST SUCCUMBS TO MONKEY BITE

TO BE STRUGGLE FOR CROWN

Poison, Following Infection, Saps Vitality of Monarch of Hellenes Until Sufferings Finally End.

Athens—King Alexander of Greece died at 5:20 p. m. Monday. His death was due to wounds received when a pet monkey attacked him early in October, the king being badly mutilated.

The death of King Alexander gives rise to the question of succession to the Greek throne. Former King Constantine was reported, according to Swiss dispatches of October 17, as intending to take advantage of the situation created by his son's grave illness by returning to Greece and claiming the throne.

Both Prince Arthur of Connaught and Prince Charles of Belgium have been mentioned as possible candidates for the Greek throne. Premier Venizelos has said that foreign candidates were not being considered.

HUGE RANCHES TO BE GAME PRESERVE

Marysville—Desiring to aid in the work of game preservation and propagation, Tom Gianelli and James Bryden, owners of ranches in northern Yuba and southern Butte counties, aggregating 20,000 acres, have offered their ranches, which adjoin, to sportsmen interested in pheasant culture as a great game sanctuary. The offers were gratefully accepted and the first shipment of 200 young pheasants will be sent this week, to be followed by more later.

Tragic Death of McSwiney Stirs London

London—Articles on the death of MacSwiney occupied much space in Tuesday morning's newspapers, regardless of their political views.

Some of the journals refrained from commenting editorially on the situation which has arisen, while others have written in accordance with their customary attitudes on the Irish question.

The Times, which is hostile to the government's Irish policy and the Irish bill prepared by the cabinet, severely attacks the government, especially in the matter of reprisals. Referring specifically to MacSwiney, the newspaper expresses the fear that the effects of his death will not be confined to the British Isles, but it recalls it has always maintained the Irish question was essentially British.

Asserting the Lord Mayor was a "misguided, but sincere patriot, dying for his convictions," the Morning Post says:

"We cannot perceive what relation can exist between suicide and martyrdom. We cannot forget the many loyal servants of their country who have been shot down in the mere performance of their duty in Ireland, and for whose memory there is no meritorious appeal nor fallacious sentimentality."

PREMIER AND MINISTERS OF BELGIUM QUIT

Brussels—The Council of Ministers met today, under the presidency of Premier de la Croix, who drafted the text of the cabinet's resignation. It will be transmitted by wireless to King Albert, who is in mid-ocean on the way home from Brazil.

The retirement of Premier de la Croix was understood to be due to overwork and attacks upon him from all quarters because of his conciliatory policy.

OREGON LUMBER CO. TO CUT WAGES 20 PER CENT

Enterprise (Ore.)—The management of the East Oregon Lumber Company of this city Tuesday announced reduction of wages 20 per cent, effective at once. The reasons given were the fall in the price of lumber and the increased freight rates. Duval Jackson, president of the company, who is here from Kansas City, at a meeting of the business men demanded that the retailers reduce their prices on merchandise. He declared the company would put in a store of its own unless his demands are met.

CAMPBELL ENJOYS CONSOLIDATION

This is the second article in the series of advantages of consolidation.

BETTER CONDITIONS FOR HEALTH AND MORALS

The facilities explained in the first article mean better health and morals among the children. It is probably safe to say that more than 25 per cent. of school children are suffering more or less from eye, ear, nose or throat troubles, which are aggravated by the conditions existing in the old type of school building and which would be helped, if not removed, by properly lighted, heated and ventilated study rooms.

But with consolidation, some plan of medical inspection can also be perfected, which will mean a saving in doctor bills and better health for the children. Campbell has made a beginning along this line with the community nurse and Child Welfare days, with more funds from added territory and our neighbors' children enjoying the same advantages of inspection and prevention, we will reap greater benefits here. Cleanliness is one of the best teachers of morals. Sanitary, modern, well-kept toilet facilities have a direct influence.

CAMPBELL THANKED

Campbell's good citizenry has again made sure its standing at the head of the list of war and relief contributors by oversubscribing their allotment in the American Jewish Relief drive just closed.

In acknowledgement of the work done by the soliciting committees and the response from this war work district, Mr. Ainsley received the following letter.

"We beg to acknowledge receipt of check, amounting to $521.35, Campbell's contribution collected by your good self and co-workers toward the fund in aid for the Jewish war sufferers, and take pleasure in tendering our sincere thanks.

ROOSEVELT DAY AT CAMPBELL

Theodore Roosevelt's birthday was commemorated Wednesday afternoon at the high school when the school children and citizens of the community gathered at the Roosevelt Redwood for appropriate exercises. Irene Toles, school trophy custodian, gave a brief resume of the tree by then President Roosevelt, May 11, 1903, exhibiting the spade used by him.

Following invocation by Rev. F. C. Farr, E. W. Allen, president of the Raosevelt association, introduced Judge P. F. Gosbey as speaker for the occasion. Judge Gosbey urged the students to strive for the integrity and loyalty of purpose which was so pronounced in the life of this great president. Rev. Preston made a short talk on the things worth while in Mr. Roosevelt's life, which should be aimed at by the coming generation. Music by the Boys' band and high school glee club completed a very appropriate program.

The newly elected officers are: E. W. Allen, president; C. H. Whitman, vice president; and. Mrs. Ellen R. Smith, secretary.

SUNNYSIDE BOOSTING

There was a good, live meeting of the Sunnyside Club, Monday evening, Oct. 25, with Mrs. Cora Marshall.

The laying of a new three-inch main up Sunnyside ave. was definitely decided on and the work will begin in the near future. The property owners are co-operating with Mr. Hyde in the work, as they realize that it will add materially to the value of their property to have a good water supply.

Officers for the coming year were elected as follows: President, Mrs. Clara Baldwin; secretary, Mrs. Cora Marshall; treasurer, Ralph Dunning.

The club claims as its chief object the drawing together of the community into real neighbors—and the next meeting will be a get-together, get-acquainted one with cakes, coffee and music.

All residents, old and young, of the Sunnyside addition, are urged to be present at the next meeting, which will take place on Nov. 8, in the same meeting place.

E. G. PADDOCK

Elbridge Gerry Paddock passed away at his home on San Tomas road Friday, Oct. 22, following a stroke of paralysis, the week before. Mr. Paddock had been a sufferer from this disease for some time and his death was not unlooked for.

Mr. Paddock was a native of Ohio and had reached the advanced age of eighty years. He is survived by his wife and sons, William, Wallace, Howard and Elbridge and one daughter, Mrs. Ellen Condon.

Funeral services were held on Monday afternoon from the funeral chapel of the Santa Clara Undertaking Co. and interment made in the Santa Clara cemetery.

SUMMER GASOLENE SHORTAGE UNDER FEDERAL INQUIRY

Oil Companies May Be Prosecuted for Alleged Illegal Practices.

San Francisco—Just how real was the gasoline shortage on the Pacific Coast last summer? This is a question the Federal Trade Commission is investigating and the quizz may result in some of the oil companies being required to explain tactics practiced during 1920.

D. N. Dougherty, examiner for the commission, is somewhat skeptical as to the alleged shortage in gasoline. He has just returned from the Northwest, where he procured evidence against some California oil companies, which may be prosecuted for unfair practices.

One of the accusations made against oil companies is that in order to force the sale of their lubricating oils and greases, they declined to sell gasoline to garage men or dealers unless the buyers would purchase the sellers' lubricants with every lot of fuel oil. Such a practice is declared to be unlawful. Through it numerous garage men, it is said, have been forced to take on a line of lubricants they did not want.

Flour Drops To Low Level

San Francisco—With a drop of $1.20 in the price of flour in the last three weeks, the market has reached its bottom for the present, Frank Connelly, secretary of the Retail Grocers' Association, predicted Tuesday.

The decline of 40 cents a barrel was the result of the drop in the Chicago wheat market, Connelly said.

New retail prices announced by Connelly are: Forty-nine pound sacks, $3.53; 24½ pound sacks, $1.82; 10 pound sacks, 80 cents; 5 pound sacks, 42 cents.

At the present price of labor there is little hope for further reduction in the price of flour, Connelly said.

The forty-four hour week was ordered into effect at the Mare Island Navy Yard.

Fresno is to have an exhibit in the building in Exposition Park, Los Angeles.

Yetter has been awarded a large silver cup for the best display of raisins at the Tulare county fair.

NEW GROCER

G. I. Isbell has purchased the grocery, bakery and confectionery business of S. H. Crowell, formerly of the F. R. Glover store. Mr, Crowell has wanted to sell the business for some time and is well pleased with this sale. The family will return to Los Angeles where Mr. Crowell will resume work at the carpenter's trade.

Mr. Isbell has been in the E. E. Sower shoe store for some time and having lived in the community for several years needs no introduction. He will continue to handle the popular lines of bakery goods and confections that have made the store such a popular place in the past. Mrs. Isbell will assist in dispensing the good things thru the winter and more help will be had during the busiest seasons. They have begun with a determination to serve the public and are deserving of a liberal patronage.

PUNDITAS IN SESSION

The regular meeting of the Pundita Circle was held at the home of Mrs. C. E. Toles. After the business session, a discussion of the amendments was begun by Mrs. Hanger on the second, followed by Mrs. Corning on the twelfth. The speaker of the afternoon was Mr. Geo. Bray, president of the Santa Clara County Pioneer Society, who gave a very interesting talk on the coming of the first English speaking people to this state. He also gave the history of the Donner party and some of the early history of the Santa Clara Valley.

Roll call was responded to by brief sketches of the pioneers of the state.

Mrs. Toles assisted by Mrs. Carboni served delicious refreshments a la '49.

The next meeting will be held at the home of Mrs. Clarence Davidson on Budd avenue.

ROBERT SYER WILL MAKE A SPLENDID JUDGE

One of the most important duties before the people of Santa Clara county at the election next Tuesday is the election of two superior judges for a term of six years. Questions involving in one way or another, millions of dollars' worth of property and other questions involving in some degree the liberty of many of our residents, will undoubtedly be tried before the two Judges elected Tuesday, during their term of office. Only the best qualified men should be entrusted with the decision of such momentous questions.

It is obvious that no man should be elected to so important an office merely because he is a "good fellow," nor even because he is honest and a good citizen. In addition to being honest and a good citizen, to be a good judge a man must be thoroughly trained in the law. No matter how hard a judge tries to do right, if he is not well versed in the law he is certain to make errors which will cause appeals from his decrees and many reversals in the higher courts.

The careful observer is convinced that of the candidates for Superior Judge, Robert R. Syer and P. F. Gosbey are very well qualified and should be elected. Their integrity is beyond question, and they have had the necessary legal education and experience in the superior court to enable them to preside in the superior court with honor to themselves and the county.

A WHIRLWIND CAMPAIGN

Jas. E. Edwards, Nominee for U. S. Senate

It is little wonder that the people of California show such slight interest in the present campaign. Added to the grand farce being put upon the National stage this year, is the little matinee that the gentlemen, Phelan and Shortridge are presenting to the people of the state The voters of California may well feel outraged by the actions of both parties this year. However, the outlook is not entirely hopeless for Jas. S. Edwards of Southern California is making a quick and sweeping campaign for the U. S. Senate.

Read his Rooseveltian platform and then cast your ballot next Tuesday for a real man to represent the state.

League of Nations?—Yes, Quickly.

Japanese Exclusion?—Yes, Decidedly.

Irish Interference?—No Decidedly.

Prohibition?—Yes, Eternally.

These five statements are so full of meat as any three month speaking tour could produce.

Hyde Residence Park is on the Boom

Jas. U. Porter who recently sold his residence on Campbell avenue, formerly the W. D. Sturtevant home, is temporarily located on South Central avenue. He has purchased two lots in Hyde resident tract adjoining the beautiful home of Ralph Hyde and has let the contract for a fine sixroom residence and garage to S. H. Williams of San Jose.

The Walter B. Jones attractive home on the tract is completed, Mr. Jones and family having recently moved in. This new home is after the Swiss chalet style.

Various improvements are contemplated for the ne ar future. One is the macademizing of Alice avenue, the pretty thorougfare extending east and west from South First street to Santa Clara-Los Gatos road. Poles for electricity will be erected in the alley on the north side of the tract. No utility pipes or poles will be allowed to mar the beauty of Alice avenue and the attractive structures being erected there, but will be placed in the alley at the rear of the lots. The mountain view from these lots is one of the best in the valley

A business meeting of the high school P. T. A. will be held at the high school at 3 o'clock Tuesday afternoon. A cordial invitation is issued to all parents of children in high school and others interested.

JUDGE GOSBEY UNANIMOUSLY ENDORSED BY BAR ASS'N

Office of Santa Clara County Bar Association, San Jose Law Library, Knox Block, Corner First and Santa Clara Streets.

San Jose, Cal., May 1, 1920.

Hon. P. F. Gosbey,
Judge Superior Court,
San Jose, Cal.

Dear Sir:—

At a regular meeting of the Santa Clara County Bar Association held in the Assembly Hall of the Chamber of Commerce on April 29th, 1920, and designated as the time and place of taking action in reference to endorsement of candidates for Superior Judgeship of this county, it was determined that the endorsement of the Bar Association should be limited to candidates who are occupying the Bench at the present time, and thereupon it was unanimously moved and carried that the Santa Clara County Bar Association do endorse the candidacy of the Honorable P. F. Gosbey for re-election to the Superior Bench of this county.

There was a very large attendance and all joined in paying tribute to the great ability and fairness with which you had presided as Superior Judge of this county during the nearly twelve years last past.

Both Judge F. B. Brown and Mr. John G. Jury, the only other candidates present, in addressing the Association stated that it was fitting and proper that you should be endorsed. Permit us, as the President and acting Secretary of the Association, to say that it is the unanimous wish of the Lawyers of the country that you should be again re-elected to the Superior Bench.

Very truly yours,
John W. Sullivan,
President.

The Spent Dollar and the Saved Dollar

In 1914 the dollar suddenly began to shrink. By 1919 it had shriveled to a mere shadow of its former self—in purchasing power, which is all about a dollar of interest to you. For food, the dollar shrank one-half, for clothing, one-fourth.

But the dollar is beginning to enlarge. Its purchasing power is increasing. The things you buy are going down. That dollar you spent yesterday was a little dollar, but that dollar you save today is a growing dollar. Today's saved dollar, by the time you need it, may be worth twice yesterday's spent dollar.

Think for a moment. A property investment that gave a mere chance of doubling in value would be a tempting speculation. Savings bank investment gives increased value as a practical certainty, without speculative risks. This entirely apart from its interest-bearing feature.

Our savings department is at your command. Make use of it.

CLUB AT WORK

Mrs. Walter Stray was chairman of the program committee in charge of Monday's meeting of the Country Woman's Club, the topic being "The School of Journalism," and as Mrs. Bean is still in the east she incorporated her subject, "Eminent Authors in Journalism," with her own.

The paper treated of the rise and growth of journals and strictly literary magazines, for which such authors as Franklin, Holmes Howells, Aidrich, Curtiss and others wrote and of which some were editors—Graham's Periodical, Harper's Atlantic Monthly, and others.

This general view of the field was followed by Five-Minute Sketches of Prominent American Journalists, which gave the members a good idea of a variety of our noted writers who all contributed in part or throughout their lives to this great field of journalism.

Mrs. J. F. Duncan took as her subject Wm. Dean Howells, who as part of his journalistic career was editor of the Atlantic Monthly from 1871-1881.

Mrs. C. E. Day discussed Geo. Wm. Curtiss, at the head of Putman's Periodical, and who also wrote for several others.

Mrs. R. A. Holmes read two interesting letters from John D. Barry, who writes the "Ways of the World" series of essays in the San Francisco Call, telling of his life and work.

Mrs. F. M. Righter had chosen Hamilton Wright Mabie, the great literary critic of recent years, editor of the Outlook and author of books for children. She read short extracts from two of his esays illustrating his style.

Horace Greeley was the author whom Mrs. R. E. Dunphy had taken as her choice, that writer of nation wide eminence in the period preceding the civil war—one of the great advocates for the abolition of slavery.

JUDGES RICHARDS AND BEASLEY ENDORSE BROWN FOR JUDGE

Judge John E. Richards, Associate Judge of the Appellate Court, has sent to Senator Herbert C. Jones the following letter endorsing the candidacy of Judge F. B. Brown:

District Court of Appeal
Justices' Chambers
Wells Fargo Bldg.
San Francisco, Cal., Oct. 27, 1920
Hon. Herbert C. Jones,
San Jose, Cal.
My Dear Senator:

I wish to commend your very fair and manly statement and attitude in respect to the character and qualifications of Judge F. B. Brown for the office of Superior Judge to which he aspires in the approaching election. I do this without disparagement to any other candidate for that office, but solely out of a sense of justice to one who, in public, in judicial service, in unselfish zest for civic and social well being, and in unblemished personal character, has earned the right to expect and receive the support of all good citizens in aid of his worthy ambition. I therefore approve and endorse your statement of Judge Brown's qualifications for the office of Superior Judge.

Sincerely,
JOHN E. RICHARDS.

Judge W. A. Beasly, Judge of the Superior Court of this county, has issued the following statement to his friends:

"I have been frequently approached by my friends and asked to advise them how to vote for Superior Judge, and I therefore think it not improper to make this public statement for the benefit of those who may not be able to see me and yet would like to know my opinion on the subject.

"I am in faveor of Judge Brown for what I conside good reasons. In my judgment, his long and faithful service on the bench of the Justice's Court of San Jose Township entitles him to promotion. He has madt an excellent record there. In practice before him when I was a lawyer I always found him honest and capable. Since I have been on the Superior Bench I have reviewed his work occasionally and have found it excellent. I think he ought to be elected.

(Signed) W. A. BEASLY.

SENATOR JONES BOOSTING BROWN

Of all our public officials, there is none in whose qualifications the voter is more concerned than our judges.

Judge F. B. Brown possesses all the essentials for the position of judge of the superior court.

He is a college trained man.

He has had 25 years of diversified legal experience.

He has been successful in private practice.

He achieved a commendable record as city attorney of San Jose.

His administration for the past 14 years of the office of justice of the peace of San Jose township, which gives him jurisdiction over more than half the population of the county, has reflected credit on him because of his ability, fairness and impartiality.

He has a deliberative mind.

He has common sense, which some lawyers in these days affect to disparage.

He has broad sympathies.

He has always stood for clean government, and been to the front in all matters for the progress and upbuilding of the community.

He has been public-spirited, giving generously of his time and energy to every worthy movement, and taking a conspicuous part in all the war activities.

He has independence of character which the public should demand in a judge.

Because of his legal experience, his integrity, his judicial mind and his public spirit, I desire to commend his candidacy for judge on the superior bench.

His election will be in furtherance of the good of the county.

Senator HERBERT C. JONES.

P. F. Gosbey
JUDGE of SUPERIOR COURT
